

Example SuDS Maintenance Plan

Introduction

Name of site: _____

(Full name and address of site)

Name of who is responsible for maintenance: _____

(Name of the Company who will be responsible for the maintenance of the SuDS on site. If this is time limited, please include details here)

SuDS Features

The following table needs to be present for each SuDS feature on site. This needs to be site specific and not just a copy of the generic table from the SuDS Handbook.

Please also include a map showing the SuDS features on site.

SuDS Feature: _____

(Where is the SuDS feature placed on site? (as shown on accompanying map) with reference to the site plan. (e.g. North of the site, adjacent to the road, etc.)
