Your ref:

Dear Councillor Mackay,

Thank you for your letter outlining the Police and Crime Panel's response to my draft Annual Report 2019-20

I note the recommendation made by the Panel in respect of performance data and have amended the draft annual report to include an additional appendix showing the previous year data where applicable.

A handwritten signature in black ink, appearing to read 'John Campion', is written over a dark blue background. The signature is cursive and somewhat stylized.

John Campion  
Police and Crime Commissioner
