

# Information, Advice and Support You Can Get

## What should happen?

Are you **aged 25 or under**?

Are you **disabled** or do you have **special educational needs**?

**Special educational needs** are when you need extra support to learn things.

The law says that you can get **information, advice and support**

Our service is confidential.  
That means our meetings will  
be **private**. We will only tell  
people what we talk about if  
you say it is ok. We also need  
to tell someone if we think you  
are in danger of being hurt.

If you are **not happy** with our  
support, then please **tell us**  
how we can make it better!
