H A T A

There are several different entry routes you could take to join the HOSPITALITY AND TOURISM sector. Let us explore these routes in more details.

[Use the link below to get some information about T-levels](#)

Known as Tech levels or T-levels, these include qualifications such as BTECs and NVQs in Engineering, ICT and construction & the built environment.

Vocational courses prepare you for a particular job, industry or sector. They are often very practical and may include coursework assignments related to real-work scenarios, as well as links with employers. Vocational courses are offered at different levels and can lead onto apprenticeships, higher education (university) and employment

T-Levels in cultural heritage, visitor attractions and catering are due to be introduced by colleges and training providers across the UK from September 2023.

Even though T-Level courses relating to the Hospitality and Tourism sector are not yet available please research and provide your answers in the Free Text Boxes below.

To help you understand and obtain more information about a variety of these job roles you can begin to explore their "Job Profiles":

A job profile should give you key information about the role including entry routes, qualifications, potential earnings and the tasks the job involves.

Using this link can you explore the following [JOB PROFILES](#) and then answer these questions for each of the job roles?

1. How many hours per week would you expect to work as a CHEF?

2. Can you name the qualifications which might help you become a CHEF?

3. What would the starting salary be for a fully qualified CHEF be?

4. What "Work Experience" could you undertake before looking to become a CHEF?

5. Can you write a paragraph about the tasks you might be required to undertake as a CHEF?

[Why not watch this short video about Cameron who is a Commis Chef Apprentice working at the Lancaster Hotel in London?](#)

You should now have a better understanding of Hospitality and Tourism and some of the roles you could choose if you wanted to enter this industry sector.

Your next task will be to look to the future and use your imagination to look

[Now watch this short video to see if your ideas are like those featured within the video.](#)

Now you have had a glimpse of the future can you write a few paragraphs on how technology and the use of science will change the way we farm in the future?

If you are feeling artistic why not create an example drawing of what some of your idea/s may look like?

Here are some questions which might help you come up with some ideas.

Perhaps think about how travel may change in the future?
