

Schedule of Charges

v3.0 20 February 2023

Introduction

Information that is available on our website is free to copy. There may be charges for some publications. If so, we will tell you that there is a charge and how much it is.

We are entitled to charge for the cost of photocopying, printing and postage if we need to send information to you. This includes information we send to you in reply to a Freedom of Information or Environmental Information Regulations request, and information that we confirm to make readily available through the Council's Publication Scheme.

Our charges reflect current statutory requirements and guidance and all charges are payable in advance of your request being processed.

The following charging rates apply:

Freedom of Information Act 2000

In accordance with the Act, we do not charge for processing requests under the Freedom of Information Act, providing that the cost of processing does not exceed the statutory limit of £450. This allows for 18 hours (two and-a-half-days) of time at a rate of £25 per hour. When estimating how long it will take to process a request we take into account the time it will take us to locate, retrieve and extract the information requested.

We reserve the right to refuse a request where the estimated cost of processing exceeds £450. However, before refusing a request on this basis, we will always work with you to look at other ways of providing the information so that your request does not exceed the statutory limit.

Where we agree to process a request which exceeds the statutory limit of £450, you will be asked to pay our processing costs at a rate of £25 per hour.

Making more than one request

For the purpose of calculating the statutory limit, where we receive two or more requests, within 60 days of each other, from an individual or group of individuals who appear to us to be acting together or in pursuance of a campaign, we may be entitled to aggregate the costs of processing those requests.

In determining if the cost of processing your request is unreasonable we may have regard to the statutory limit for processing requests under the Freedom of Information Act. This means that if we estimate that the cost of processing your request exceeds £450 then we reserve the right to refuse your request. This allows for 18 hours (two and-a-half-days) of time at a rate of £25 per hour.

When to pay

We will ask for payment before we process your request and in accordance with the law you will have 60 working days to pay. However, Worcestershire County Council takes a flexible approach to this part of the law and so if you think you might need longer to pay please get in touch with us for advice.

Waiver of Costs

In exceptional cases we may waive the charges of producing information. Each application is considered on its own individual circumstances.
