1.4 How do you apply for a place at a 14 to 19 School

The parents of ALL pupils resident in Worcestershire, seeking a place at any 14 to 19 School, including any Academy, Studio School or University Technical College outside Worcestershire, can complete a Local Authority Preference Form (14-19) by the closing date specified by the individual school or Local Authority in which it is located.

Please be aware that different LAs and Academies, Studio School and University Technical Colleges may have different admissions criteria, definitions and Supplementary Application Forms, therefore it is strongly advised that you ensure that you have understood the information that is available from each LA/School, before stating a preference on an application.

It is very important that applications are received no later than the date specified by the individual school or Local Authority in which it is located.

For applications after the closing date please refer to paragraph 1.7 below.

Having read all the information available from the County Council and individual schools as well as attending any open events held at schools, you must then complete an application and any necessary supplementary forms required by the school.
