Due to the nature of Planning Policy work, we would not normally expect to process 'special category data' (e.g. information about medical history, political persuasion, union membership or ethnic origin), but it is possible that such data may be included within comments or representations.

There is more than one legal basis for the collection and processing of the personal information listed above:

Compliance with legal obligations relating to the following legislation:

- The Planning and Compulsory Purchase Act 2004, and any associated secondary legislation
- The Environment Act 2021
