Any additional evidence which you wish to submit after lodging an appeal must be in writing and must be received by the school at least five school days before the hearing to allow for efficient administration of the appeal hearing. of care whose sole purpose is to benefit society. The care may have been provided in orphanages or other settings. Independent supporting evidence will be required to be provided with the application.

#### Catchment Area

Our catchment area is defined on the map which may be viewed at the school on request and which is available on the school website or from School Admissions at Worcestershire County Council. Proof of residence may be required. The offer of a place may be withdrawn if acceptable proof of residence is not provided when requested.

If you wish to check whether your address falls within the catchment area for King Charles I School, you may also visit <http://www.worcestershire.gov.uk/schoolsearch> and use the on-line postcode catchment area checker.

While there is no guarantee of a place for children living in our catchment area, it has been the case in the last few years that places have been offered to most or all applicants resident in catchment. This cannot be relied upon for the future as demographic and other changes may make it less likely.

#### Sibling

Applicants who have a sibling on roll at King Charles I School at the time of application who would still be on roll at the time of admission may claim a sibling connection. Siblings are defined as brothers or sisters who share at least one birth or legally adoptive parent, or who have birth or legally adoptive parents living at the same home address as partners. Children who are brought together as a family by a civil partnership and who are living at the same address, are also considered to be siblings. In order to claim a sibling connection, applicants must live at the same home address as the sibling.

The local governing body of King Charles I School will endeavour to treat applicants who are twins or children of other multiple births with consideration when considering their ranking in the event of oversubscription but cannot guarantee that a place can be offered to every child of a multiple birth if insufficient places are available. In the event of a multiple birth where not all children from that multiple birth can be allocated a place, any place(s) will be allocated by
