

St Joseph's Catholic Primary

Oversubscription Criteria

1. Baptised Catholic children (see Note 2 below) who are looked after or previously looked after (See Note 3 below).
- 2.

guardianship order and includes those children who appear (to the governing body) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

For the purposes of this policy, a looked after child living with a family where at least one of the carers is Catholic will be considered as Catholic. The carer must forward a copy of their own Catholic Baptismal or Reception certificate directly to the school in order for this priority to be given to the child as failure to do so will result in the looked after child being ranked as a non-Catholic.

For all applicants the definition of a brother or sister is:

- < A brother or sister sharing the same parents
- < A half-brother or half-sister, where two children share one common parent
- < A step-brother or step-sister, where two children are related by a parents' marriage or civil partnership or where they are unrelated but their parents are living as partners.
- < Adopted or fostered children

The children must be living permanently in the same household

Distances are measured in a straight line using the GeoCode Points for each property and the GeoCode point for the school. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the coordinates that are used to plot an address within this system.

In a very small number of cases, where the school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and the school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both, or all, of the children would cause the Published Admission Number for the child's year group to be exceeded, the Local Authority, on behalf of the Governing Body, allocate the final place by random selection (lottery).

applications received and parents will be advised of the outcome of that application on national offer day. No place is reserved or held for the child in advance.

If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they also read the DFE guidance which can be found at:

<https://www.gov.uk/government/publications/summer-born-children-school-admission>

submitted for an oversubscribed school, without an exceptional change in circumstances, then the application will be refused.

In addition to their right to appeal, children who have not been offered a place at St Joseph's Catholic Primary School but were offered a school that was ranked as a lower preference on their application form will be added to a waiting list.

•

A child's position on a waiting list is not fixed. When a new child joins the waiting list, all applicants on that waiting list will be re-ranked to ensure that the list is always maintained in oversubscription criteria order. This means that a child's position on the waiting list could go up or down during the time that it is on the list. Any late applications accepted will be added to the waiting list in accordance with the oversubscription criteria.

Inclusion on the waiting list does not mean that a place will eventually become available. It may be that those already offered places may accept them, thereby filling all available places.

Children who are the subject of a direction by the Local Authority to admit or who are allocated to a school in accordance with the Fair Access Protocol take precedence over those on a waiting list.

The Governing Body of St Joseph's Catholic Primary School Worcester is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Governing Body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are places available. Further information regarding instructions on how to apply for a place in the school at any other time other than the normal intake is available on the school's website at <https://www.stjosephsworcester.co.uk/parents/admissions>

St Joseph's Catholic Primary School Worcester is part of the local authority's in-year co-ordinated admissions scheme. Therefore, in order to apply for a place at this school, an application must be submitted to the local authority who will then forward that application to the school for consideration by the governors. The school will inform the local authority of the outcome of the application who will then inform the parents on behalf of the school. Applications can be submitted through the local authority via <https://www.worcestershire.gov.uk/schools-education-and-learning/apply-school-place>

If there are no places available, the child will be added to the waiting list (see above).
