

CABINET MEMBER DECISION OF HAGLEY PRIMARY SCHOOL

10. In June 2022 Ofsted judged Hagley Primary School to be Good with the early years provision judged Good. The nursery received a separate Early Years Inspection in April 2022, which also judged the provision to be Good.

Open and fair consultation has taken place with parents and other relevant stakeholders and the school can clearly demonstrate how any objections or issues raised will be managed.

9. Since 2016, “The Making Significant Changes (Prescribed Alterations) to Maintained Schools” statutory guidance no longer has a requirement for a pre-consultation period but there is a strong expectation that schools and Local Authorities will consult interested parties, in developing their proposal(s) prior to publication, as part of their duty under public law to act rationally and take into account all relevant considerations. Schools also need to ensure that they have the consent of the site trustees and other relevant religious authorities (where necessary).

10. The Governing Body conducted pre-publication engagement in May – June 2024 on this proposal with stakeholders including parent carers of HPS and Kindergarten, staff, governors, local early years settings, neighbours and local businesses. All responses received were supportive of the proposal. Seven (7) responses were received from current families of Hagley Primary School or families with pre-school age children. No questions or concerns were raised.

The school involved can demonstrate the capacity to manage any curriculum changes or has secured appropriate support to do so.

11. Hagley Primary School will have experienced and suitably qualified early years practitioners. 40.5 (c).4 (nor)h Tc 0.0071c()-11. 27 BDCe

There is no significant detrimental impact on other local schools.
